MANY IMPROVEMENTS UP AT CLOUDCROFT

Big New Store Being Built.
New Walks and
Fences.

Cloudcroft, N. M., June 6.—Quite a
good sized crowd came up to Cloud-
croft on Wednesday's train. It seems
good to have a train every day again.
The many improvements made will be
pleasing to the guests. New gravel
walks have been made between the
south side and north Cloudcroft; the
old tumbled down rail fence that stood
around the park has been removed and
new wire fence takes its place; the
ruins of the lodge have been removed
and the grounds graded.

Miss Hattie Kearney is clerking at
the new store.

On the north side of town there are
many new improvements. The Com-
mercial company is building a fine
large store building next to the pres-
ent store. The new building is built of
rock and the floors will be tile. The
company expect to move in about the
15th of this month and will use the
old store building as a warehouse.

J. E. Bailey has added a soda fountain
to his pharmacy and has planted a
blue grass lawn on the west side of
the building.

A cub bear has been brought from
the reservation and is kept at the pool
room, much to the disgust of the pet
monkey.

J. E. Orr, of La Luz, was at Cloud-
croft making arrangements to supply
the Croft with fruit.

J. S. Housler, of James Canyon, has
moved his family to Cloudcroft for
the season.

W. E. Jorgins has moved his saw-
mill to his ranch in James Canyon,
about 10 miles east of Cloudcroft,
where a new spring has been discov-
ered and where the timber has never
been cut over.

Dan Johnson and wife, of Hyatt
Canyon, have arrived from El Paso.
C. M. Botts and family, of Hope, are
in camp at Sulphur Springs.

Alvin Smith and wife, of Hyde, spent
a few days here a guest of Mrs. F. C.
Hunter.

GOOD RAIN FALLS IN THE VICINITY OF PORTALES

Portales, N. M., June 6.—The hot,
dusty spell of weather has been broken
by pleasant rains and everybody is in a
good humor.

All of the big buildings are coming
along rapidly and the manager of one
of the big firms recently added to the
town stated that the receipts already
amounted to three times what they had
hoped for and they are continually add-
ing new men to their corps of employees.
The loss sustained by Senyis & Beas-
ley in the recent fire will amount to
about \$2500 with \$2200 insurance.
Twelve or 15 persons, engaged in the
public works were sleeping in the build-
ing at the time and some of them barely
escaped with their lives.
Another handsome five-room bunga-
low is being erected in Bungalow
Square by A. G. Truitt.
The offices and warehouses were com-
pletely destroyed, but the firm is still

BOY KILLED BY FALL FROM TOP OF A BUILDING

Hattie Miller, the 18-year-old son of
Mr. and Mrs. Albert Miller, fell from
the second story of a vacant building
at 213 South El Paso street Saturday
afternoon at 4:30 and at 1 o'clock Sun-
day morning he died at the Providence
hospital as a result of injuries sus-
tained.

The boy, who, with his mother was
employed at the Chicago restaurant on
South El Paso street, was not busy
Saturday afternoon and, accompanied
by a Mexican boy of the neighbor-
hood, went to the top of the building
to get a breath of fresh air and watch
the cars pass.

Both boys were sitting on the build-
ing with their feet dangling over the
wall when the Miller lad suddenly lost
his balance and fell to the street be-
low. He fell about 20 feet.

At the time and the boy fell on him
which saved him from instant death.
The police patrol hurried the lad to
the police station. Assistant city health
officer A. H. Butler examined his
wounds. The lad's left arm was
broken in three places and he sus-
tained a severe bruise on the left
side.

About an hour after he had been
picked up, he was taken to a hospital,
where he died later.

ARTESIA WILL HAVE NEW ALFALFA MILL

New Railway Station Also
Proposed—Modern Hotel
Hardwick Opened.

Artesia, N. M., June 6.—The Artesia
alfalfa mill will be rebuilt at once on a
larger scale. A company was organ-
ized this week with a capital of \$20,000,
\$15,000 of which will be invested in
machinery and buildings. Former
manager J. O. Kuykendall will be at
the head of the enterprise.

Officials of the Eastern Railway of
New Mexico have been looking over the
railroad grounds with a view of locat-
ing a new depot, to cost about \$15,000.
Work will begin about July 1.

Hotel Hardwick has been formally
opened and about 500 people were pres-
ent to partake of the dinner. It is one
of the largest in eastern New Mexico,
having over 50 rooms, a number of
which have private baths. All are eleg-
antly furnished and modern in every
respect, with telephone connections in
every room.
